

**“Without vision the people
perish.”**

Proverbs 29:18 (KJV)

John Maxwell

Awareness- the **ability** to see
Attitude- the **faith** to believe
Action- the **courage** to do

John Maxwell

The Word of God makes it clear that when we as His people do not get a fresh **vision** from Him, when we fail to seek Him on what He wants to do **through** us then countless people around us will **perish** because they will not have heard what God is **offering** to them through us.

From a Christian perspective, **vision** is the ability to see **clearly** and **articulate** where God wants us to **go** or what God wants us to **do** in a given situation.

Vision is the **bridge** between the **present** and **future** reality.

Alice: “Would you tell me, please, which way I ought to go from here?”

Cheshire Cat: “That depends a good deal on where you want to get to.”

Alice: “I don't much care where.”

Cheshire Cat: “Then it doesn't much matter which way you go.”

Action

Vision is the first step in what separates those who **talk** from those who **walk**.

It **separates** those who **say** and those who **do**.

Vision is the difference between those who **survive** and those who **thrive**.

Action

It won't happen **sitting** around
watching everyone else.

It won't happen by **saying** I have
nothing to give.

It won't happen by **harbouring**
failure from the past.

Action

It won't happen only doing what is **minimally** required and never **stepping** outside your comfort zone.

It won't happen by **refusing** to open your **mind** to a spiritual awakening.

It won't happen if we are out of **alignment** to receive God's **vision** and **perspective**.

Action

Someone said this.

The **life** you want to **live** is the product of the **vision** you **possess**.

And the greatness of your **life** is directly **proportional** to the **boldness** of your **vision**.
